

Our international certified credits

Outside Europe, EcoTree sources projects based on preserving and restoring natural capital so that international groups can have a positive environmental and social impact on all the territories in which they operate.

Size

Large-scale projects
500 hectares minimum

VCS or GS certification

Sourcing from
10,000 tCO₂e.

Biodiversity

Analysis of each project's
challenges,
recommendations for
action

Social impact

Developing local
employment, reducing
inequalities
